

CONNECT  
WITH  
PERFECTION.

**elster**  
Perfection

When you bring your career to Elster Perfection, you'll forge a stronger professional connection. We're a leading manufacturer of mechanical pipe joining products for gas distribution systems, and we've built our organization on a 60-year history of integrity, stability and success.

## **Sales Representative**

Your outstanding sales skills will help expand our solid customer base. By managing a multi-state territory calling on clients and responding to their needs, you'll establish strong relationships with unlimited potential. Requires a B.S./B.A. in business or sales/marketing; minimum of 3 years' experience in sales; the ability to travel; a valid driver's license; and excellent communication, mechanical, computer, and creative-thinking skills. Experience in the utility or plumbing industry is helpful.
